PACKING LIKE A BOSS

Now that you have decided what items will be making the journey with you, it's time to properly pack them. A lot of travelers swear by "packing cubes." If you're looking to save a few bucks or use things that you already have laying around the house, here's an easy method...

1. OBTAIN RUBBER BANDS AND GALLON-SIZE BAGS

2. FOLD INDIVIDUAL PIECES OF CLOTHING IN THIRDS

3. TIGHTLY ROLL THE PIECE OF CLOTHING FROM ONE END TO THE OTHER

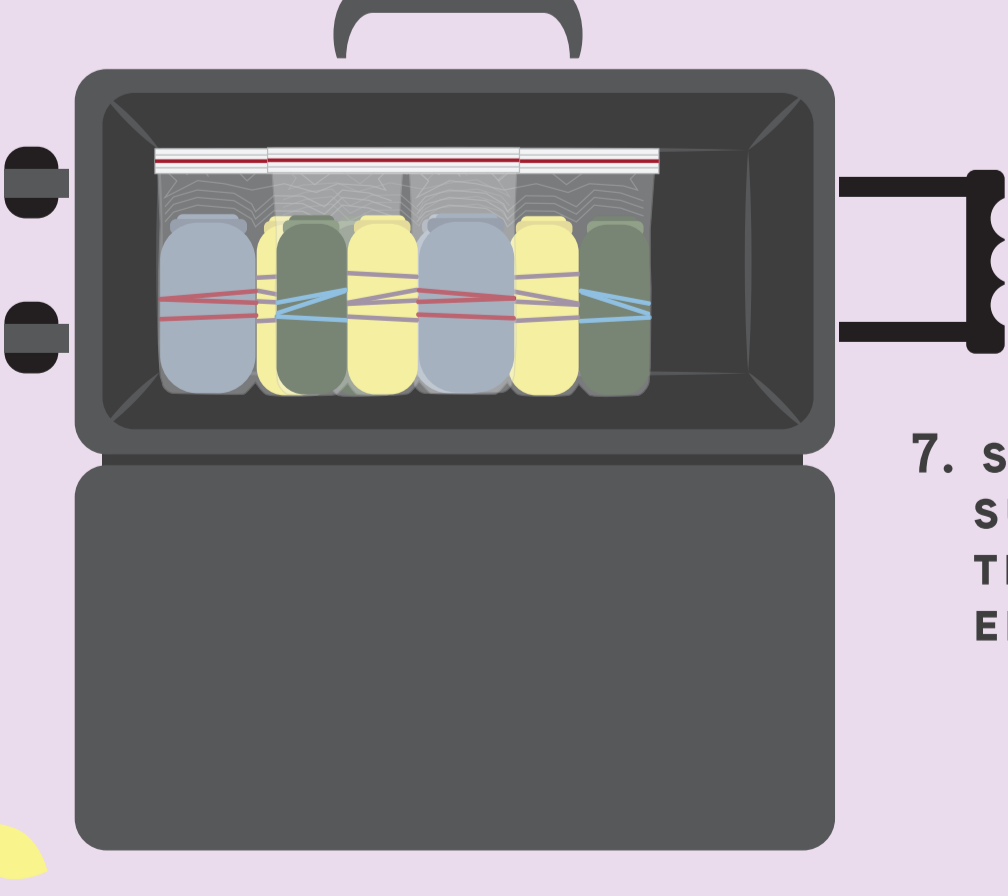

4. FASTEN THE ROLLED CLOTHING BY WRAPPING A RUBBER BAND AROUND IT

5. TAKE MULTIPLE PIECES OF ROLLED AND RUBBER BANNED CLOTHING AND FIT INTO A BAG

6. HALFWAY ZIP THE BAG, THEN FLATTEN THE BAG SO THAT EXCESS AIR IS PUSHED OUT. FINISH ZIPPING THE BAG.

7. STACK YOUR BAGS IN YOUR SUITCASE AND FIT OTHER THINGS AROUND IN THE EMPTY SPACES

Wah-lah!

YOU LOOK LIKE A TRUE PILGRIM, PARTNER.
